

STOP LIGHT POLLUTION

with easy outdoor lighting solutions.

Join the **International Dark-Sky Association** to help us protect the night sky and promote environmentally responsible outdoor lighting.

INTERNATIONAL DARK-SKY ASSOCIATION

Protecting the night sky starts with YOU!

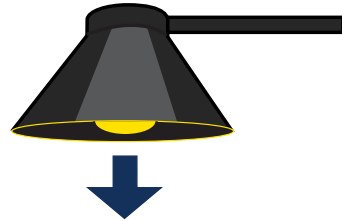

1 Light only what you need

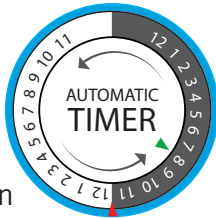

2 Use energy efficient bulbs and only as bright as you need

3 Shield lights and direct them down

4 Only use light when you need it

5 Choose warm white light bulbs

6 Join IDA!
We need your help to continue the fight against light pollution.
